## Pamphlets

We print pamphlets written by our members and those from other Reformed churches of like-minded faith.

They include a wide range of topics from doctrines to church history and practical Christian living. These pamphlets serve to promote knowledge of the true God as expressed in the Reformed faith.

# TULIP: THE FIVE POINTS OF CALVINISM

*By Prof. Barry Gritters*

TULIP! The beloved theology of the Reformed people. This acronym helps us to remember the doctrines of grace! God's sovereignty is seen in this doctrine!

It teaches us how man is dead in sin, how salvation is not based on our choice, only God can make us alive! Salvation is not given to all men and the holy life a saint lives.

This article goes in-depth in the 5 points by giving a thorough explanation with questions and answers.

An excellent read to understand this doctrine and how to explain it to others!
